HUTCH JOINS HAYES

JOHN Hutchinson, who played one match for Wycombe Wanderers against Maidenhead this season, has left the club and signed on for fellow Rothmans Isthmian League side Hayes. He played for the reserves on Saturday in the Middlesex Border League.

A midfield man, Hutchinson had a stormy career with Wanderers, having joined them from Wealdstone in 1968/69. He was a regular member of the side when they won the Isthmian League championship two years running and scored Wycombe's goal in the Amateur Cup semi-final against Hendon two seasons ago.

Wycombe have not been informed about his move to Hayes and manager Brian Lee said he would like to have Hutchinson back in his squad. "Hutch" returned recently from a working holiday in Spain.

International recognition has come to five Wycombe players this week. As well as Larry Pritchard and Derek Gamblin, Keith Searle and Mick Holifield have joined the 22 strong England Amateur squad for the European Nations Cup, first round tie against West Germany at Wembley next Wednesday.

As the four players are involved and also considering Wycombe's injury situation, the scheduled Premier Midweek Floodlight League match against Chesham has been postponed.

The fifth player involved with international football is Dylan Evans, who has been chosen to represent Wales F.A. in three matches against British Police, Welsh Colleges and Welsh Universities.

IT'S away again

ATHENIAN League, Division II club Worthing are next in line for Wycombe Wanderers on November 3. That's the draw that came out of the hat for the fourth qualifying round of the F.A. Cup: Worthing v Wycombe.

Although Wanderers would have preferred a home tie financially, a visit to Worthing, on the face of it, should not provide them with too many problems. Worthing are in mid-table in the Athenian League but have played only half a dozen matches. Four have been won and two lost.

They have fallen so far behind on their league programme this term due to cup commitments that they haven't played an Athenian game since September 8.

By far their best result this term came in the F.A. Cup when they beat Southern League leaders Waterlooville 2-0 at home. Waterlooville are currently top of the Southern League, Division One South with 13 points from nine matches.

Prior to that, they beat coastal club Pagham 3-1 on their own ground after a 0-0 draw at Pagham. On Saturday in the third round, they beat Littlehampton 2-0.

Worthing are also involved in the Amateur Cup, where they beat local side Wigmore Athletic 2-1 after a 1-1 draw. They meet Lewes in the next round on Saturday.

Worthing were left in the Athenian League when many of their clubs made up Division Two in the Rothmans Isthmian League, because they have no floodlights. Their two league defeats this season have come against Cheshunt and Wembley.

Perhaps the most interesting tie of the fourth round is the Bishop's Stortford v Dagenham draw. These two sides, closely linked through Ted Hardy, who has managed both clubs, met in the Amateur Cup last term, with the Daggers coming out on top.

Rothmans Isthmian League, Division One leaders and champions, Hendon, will have their work cut out at Underhill where they take on Southern League Premier Division outfit Barnet while Hayes are at home to Enfield in an all Division One clash.
